ACP - John White

note

Roscoe (2) west of DEO, County, [Echol hummer]
→ need to establish (summer); Philip Agre w/ PNC

Bruce (subject ager)

July 3rd 2015

[Well, deployment, Pennsylvania, 1,5BDT's p3]

[You trip down Alabama; let them 20 year lease and
[3-5M for a trip] locals don't understand, sell it
the owner]

° good as job creation ° not concerned w/ environment

[Funds - Ag & Infrastructure] - \$100M to go to NE

Ag & S funds?

□ Doesn't address jobs created

Note: = LDC wholesale / resale In NE heat homes, have are

do it other, is up, down down, energy costs?

Building pipes in Pennsylvania "revolving every day"

jobs off in construction - but will it stay?

jobs in local government? [Tax benefit to local government]

line to SC - would start FERC again?

Liquefaction, natural gas - ① pipelines ② lines ③ lig. and gas

thick gas pipelines; get it through tracks, comparable to propane

steady prices

Supply tracks -

EIS review

greenhouse gas; social carbon cost?

Emergency prepared? EIM equipment?

Amick consulting?
